Earth Day

Thursday, April 20 is Earth Day clean up, we will be cleaning up our community from 12:45 to 2 pm. The students, staff and volunteers cleaned up garbage in the community despite the cool temperatures. Actual Earth Day is Saturday, April 22, please go out and do your part for your community.

Spring Into Spring - West Northfield Elementary School

Spring into Spring at West Northfield Elementary School for our annual MAY DAY EXTRAVAGANZA! May 6 from 10 am to 1 pm. All aboard for rides on the Lions Train! Cake walk, bake sale, penny auction, yard sale items, and games of chance. Win an Ipad! Fun for the whole family! Hope to see you there!

Report Cards

Please return your report envelope and parent response form to your teacher.

Cancer Can Be Changed

The total raised to date is \$209! Thank you so much for your donations. Every penny makes a difference.

Bikes

If you have a bike that is no longer being used and you would like to donate them to the school. Please do so! We have students that would be able to use them. Thank you

School Trip to Discovery Centre - Friday, April 21

Our students travelled to Halifax to visit the Discovery Centre today. A write up will be in next week's newsletter of what they learned.

CLT- Embedded Time Days

Be sure to record dates of the CLT day schedule. The dismissal time is 12:45 pm. Our next scheduled date is this Wednesday, April 26.

Swim to Survive Program for Grade 3 Students

The Grade 3 Students will be participating in the Swim to Survive Program at the LCLC. The dates they are traveling to Bridgewater are Thursday, May 4, 11 and 18. The students will be picked up at the school at 9:15 am. They will arrive at the LCLC shortly before 10 am, have snack, change and then swim from 10:15 to 11:15 am. They will leave at 11:30 am and be dropped off at the school at 12 pm. We are looking a volunteer to supervise the students as they travel on the bus. This individual must have all checks completed.

Swim to Survive is a Lifesaving Society survival training program. The Society defines the minimum skills needed by all Canadians to survive an unexpected fall into deep water. These are expressed in a skill sequence in the Canadian Swim to Survive Standard: ROLL into deep water - TREAD water (1 min.) - SWIM 50 m. Swim to Survive is aimed primarily at children, but people of all ages should be able to perform the Society's Swim to Survive Standard.

Three Classroom Activities: The Lifesaving Society has prepared three classroom activities to assist teachers & instructors: Swim with a Buddy - Check the Ice - Wear a PFD.

Isn't it just swimming lessons? No. Swim to Survive is different than swimming lessons - and not a replacement for them. Swim to Survive teaches just the essentials needed to survive an unexpected fall into deep water - an important first step to being safe around water.

Playgroup

Queens Recreation has provided Greenfield Recreation with an employee to host a **FREE Playgroup Program** Tuesday mornings from 10 - 11:30 am in our Recreation Centre. Parent/Guardians along with children under six years old are welcome for an hour and half of social interaction.
