Cancer Can Be Changed

The grade 3-6 students have begun a campaign to raise funds for cancer research. This idea was brought on by Zoe Fiander's diagnosis and successful treatment of kidney cancer. The student's brainstormed with their teacher, Mr. Snyder and he approached The LaHave River Credit Union in Bridgewater and the Terry Fox Foundation with this idea. These institutions have both signed on to be part of this endeavor. It is specifically loose or rolled change of any denomination that is requested for this fundraiser. All of the proceeds are going to The Terry Fox Foundation. Please drop off your rolled change to the LaHave River Credit Union on North Street in Bridgewater. If it is more convenient to drop your loose or rolled change off to the school, please do so.

It was determined through research that Canada had between approximately 11 to 15 billion pennies in circulation, however, the penny is being slowly taken out of circulation and it is estimated that there is possibly 4 billion still in circulation. Our aim is to collect as many pennies as possible to donate to cancer research. If you have any questions about this fundraiser please contact the school.

After School Activities

Music Club has begun once again for students in grades 2-6. This activity is held on Mondays from 2:15 to 3:15 pm. Janice Waterman will be having an After School Activity on Tuesdays from 2:15 to 3:15 pm. The activity that she is doing is Pickleball and it is for students in grades 3 to 6. We are looking for a volunteer to run an activity program for our students. It would run from 2:15 to 3:15 pm. Some of the activity ideas are; Floor Hockey, Yoga and Badminton. Please contact the school if you are interested. Parents are reminded that if they wish to volunteer at the school, their appropriate checks need to be completed. All criminal records checks are to be completed every three years and J Forms are to be completed every year.

Playgroup

Queens Recreation has provided Greenfield Recreation with an employee to host a **FREE Playgroup Program** Tuesday mornings from 10 - 11:30 am in our Recreation Centre. Parent/Guardians along with children under six years old are welcome for an hour and half of social interaction.
