Fun Fair

This event is rapidly approaching! We need all families to get involved to benefit our children. We have a few donations at the school. Some items that we need are; theme baskets, cakes for Cake Walk, items for the bake table and silent auction items.

World Oceans Day

On Thursday, June 8 we will be doing another clean-up day. The older students will travel by car further in Greenfield while the younger students will do another community walk to clean-up. We will also investigate the flow of water into the river that goes to the ocean. If you are able to assist from 12:45 - 2 pm we could certainly use your help. Thank you!

Spring Fling - North Queens Community School

There will be a Spring Fling on Saturday, May 13 from 11 am to 2 pm. There will be a BBQ, Farm Market Table, Silent Auction, Yard Sale Table, Balloon Animals, Face Painting, Games and Prizes. Fun for the whole family! Hope to see you there!

Soccer Nets

We have two new soccer nets at the school. Our student support grant has allowed our students to get involved in various ways.

Jump Rope for Heart

Our students will be having a Jump Rope for Heart on Thursday, May 18 from 1 - 2 pm. Sponsor forms are due on the day of the event.

This is the last weekend to get sponsors. Even if your form is empty, please return to the school.

Cross Country Run Meets

Cross Country Run meet dates have been set and the Activity Release Forms have been sent home. The schedule is as follows:

Monday, May 29 - West Northfield Elementary School, West Northfield, 3 pm (raindate Tuesday, May 30)

Students are asked to wear their school t-shirt and black shorts. Also, please bring a water bottle. Parents are to ensure arrangements are made to have their child picked up after the meets. Parents must complete an authorized driver form, through the office, before transporting a child other than their own. A new form must be completed every year. Their volunteer checks must be current as well. Thank you to Ms. Nauss and Mr. Snyder for organizing this activity.

CLT- Embedded Time Days

We finally received the results from the provincial assessments that allow us to see the specific results from each question. We discussed areas of strengths and the areas of concerns to further develop. We will continue to use Kahoot-it to develop both math and language comprehension. Be sure to record dates of the CLT day schedule. The dismissal time is 12:45 pm. Our next scheduled date is Wednesday, May 31, the last one of our school year.

Swim to Survive Program for Grade 3 Students

The Grade 3 students will be participating in the Swim to Survive Program at the LCLC. The last date they are traveling to Bridgewater is Thursday, May 18. The students will be picked up at the school at 9:15 am. They will arrive at the LCLC shortly before 10 am, have snack, change and then swim from 10:15 to 11:15 am. They will leave at 11:30 am and be dropped off at the school at 12 pm. Thank you so much to Joanne Colp for volunteering to assist with our Grade 3 students.
