

GREENFIELD SCHOOL SOCIETY NEWSLETTER
September, 2016

Hello,

I would like introduce myself, my name is Jennifer Freeman I am the chair of the Greenfield School Society (GSS) this year. For those who do not know, the GSS is a group of parents or loved ones of the kids of Greenfield Elementary who support the ongoing initiatives of the school to provide the students with class trips, visitors and guests, and equipment as well as fun activities to reach their goals. We also help to provide hot lunches to the kids on Fridays. Our meetings are usually held the middle Wednesday of each month, it will be advertised, and are kid friendly.

At our last meeting we decided that we will need to have a phone tree in place for unexpected dismissals and emergencies from school. Tracy Carrier is in charge of organizing this. We ask that all parents have their contact information up to date. We are looking for 2-3 more at-home parents/guardians to be a part of the phone tree. Please contact me if you are interested.

We are looking for a group of people who would be interested in forming a group within the GSS to support the teachers in reaching their health and physical fitness goals with the kids by building a green house!!! This will be used by the kids to grow their own food. We currently have small gardens on the school grounds and Mr. Snyder cooks with the grade 3-6 class. Amazing life skills!! We are excited to take this to the next level!! If you are interested or would like more information please contact me.

Lastly, the Greenfield Recreation Association would like us to remind you that if your child is participating in gymnastics at the gym that they **MUST** pay the student membership fee of \$30. You can contact Linda Freeman or Marsha and Kevin Freeman, or me to make arrangements.

Our next meeting is October 12, 2016 @ 6:30 pm at the school would love to see you there!

Sorry for the lengthy letter, they will not all be like this :)

Thank you
Jennifer Freeman, Chair
